FCRC

Family & Community Resource Centre

Our Family Services aim to create a comfortable and friendly place at the Alberta Children's Hospital for families, healthcare professionals and community members to access credible health information, community resources and individualized supports.

<http://fcrc.albertahealthservices.ca/>

Family and Community Support Services (FCSS) partners with more than 100 social service program providers in Calgary. The programs they offer address a wide range of issues, such as improving parenting skills, reinforcing positive child and youth development, increasing adult personal capital, strengthening positive social ties for vulnerable Calgarians and creating stronger neighbourhoods.

MyHealth.Alberta.ca

This site was built by the Alberta Government and Alberta Health Services to give Albertans one place to go for health information they can trust. Healthcare experts across the province make sure the information is correct, up to date, and written for people who live in Alberta.
